Cincinnati, O., May 81 .- The rejuveted Reds jumped into second place this afternoon by winning the first game of a double event against Pittsburgh 2 to 1 and getting a draw in the second, which was called on account of darkness at the end of the ninth, with the score 5 all. Ames continued his winning streak in the opening session by shading Harmon in a twirlers' tattle, the Firate sluggers getting but twe hits. The second game was a free hitting affair, each team using three hitting affair, each team using three hitting affair, each team using three hitchers. Cincinnati put two runs over in the ninth, tying it up, after Pittsburgh seemed to have the contest cinched. The score: this afternoon by winning the first

Old Dominion Contest Brings Players of Renown From All Parts of Country.

The Old Dominion tennis tournament, to which players of renown from all parts of the country flock every year, will begin this afternoon at 2:36 o'clock on the courts of the Country Club of Virginia. The matches will start each afternoon at the same hour, and will be called promptly on time. All the arrangements for the tournament have been perfected; the courts are in trim; officials are on hand, and most of the entrants have arrived.

A galaxy of stars will play the game, and the playing is expected to be the fastest ever seen here. Champions of all classes will compete in both sixtles and doubles and it will both singles and doubles, and it will not be surprising if several hardly won laurels change hands. Competi-tion among the women will be espe-

Studebaker.

Because even the highest market price, on a small volume, cannot buy better material, nor provide finer. closer manufacturing. You see how the three interlock-volume, manufac-

turing equipment, value. They cannot be separated. The first two produce the third.

Studebaker Six has the volume. It can afford the equipment,

It gives the best value in the world. Send for the Studebaker Proof Book, describing Studebaker manufacturing methods.
